## FLOWER EXPO UKRAINE; GROWING YOUR BUSINESS!

### SHOW PROFILE

#### 14<sup>TH</sup> INTERNATIONAL EXHIBITION FOR FLOWER BUSINESS, NURSERIES, LANDSCAPE DESIGN AND FLORISTRY IN UKRAINE

Flower Expo Ukraine is Ukraine's leading and only exhibition for Flower Business, Horticulture, Nurseries, Landscape Design and Floristry.

The exhibition has since its start in 2006 been organised under the patronage of the Flower Council of Ukraine and has built up a very solid position as one of the leading trade shows for the entire horticultural and floricultural sector in Eastern Europe.

During the 2019 edition more than 9.000 visitors from Ukraine and CIS Countries visited the exhibition.

Almost 100 companies from 7 countries worldwide showcased their products and used the exhibition to strengthen and/or expand their activities in Ukraine and CIS Countries.

Ukraine's economy grew by 4.6 % during the second quarter of 2019. The growth rate is higher than any country in the EU, except Hungary and Romania (5.1 % and 4.6 %).

For 2020 a further growth of the economy is expected.

Ukraine is a large emerging market; don't miss out the opportunity to participate at Flower Expo Ukraine 2020!
